

WOMEN IN DATA SCIENCE

MARCH 5, 2018

TI Auditorium (ECSS 2.102)

The event in partnership with Stanford University is a great opportunity for students and researchers interested in Data Science and Informatics to hear about the latest data science-related research in multiple domains, and learn how leading-edge companies are using data science for success.

Introduction:

Prof. Latifur Khan (9:00 - 9:15)

Speakers:

- Academic Perspective: Prof. Weili Wu (9:15 - 9:45)
- Graduate Student Perspective: Maryam Imani (9:45 -10:05)
