

# Graduate Change of Catalog Year

Submit completed form to Student Services Building or mailstop ROC 13  
This form must be completed by Census Day of the student's graduating semester.

Please note that when you change your catalog year for your academic plan, you will be bound by the specific coursework and the number of semester credit hours required by that particular catalog. A student can always move forward to a future catalog, but cannot move backwards. Students may choose the catalog in effect in any year in which they are enrolled in their graduate program, within the six-year limit. Please consult with your advisor, regarding these and other requirements, prior to the completion and submission of this form.
